## EXPERIENCE

Web Developer

January 2023 - Current

Self-Employed | Austin, TX

- Designed, tested and debugged applications from foundation to full production.
- Collaborated, ideated, and communicated with clients in order to make a product that complies with their design requirements.
- Detected problems provided by client's feedback and implemented solutions.
- Acquired new skills and understanding of libraries to implement in projects whenever necessary.
- Managed back end server logic protocols and database connections.

Sales Demo Specialist

June 2023 - Current

H-E-B | Austin, TX

- Served free product samples to customers browsing inside stores or at special events.
- Established and grew the Sunday Freebie Promo at H-E-B Round Rock 02 (373) to the #1 ranking in Central Texas for Freebie Redemptions through the H-E-B app
- Encouraged purchases with consultative and suggestive sales techniques.
- Answered customers' questions and redirected concerns toward benefits of products.

Team Lead/Receptionist

February 2023 - May 2023

Petbar inc | Austin, TX

- Guided my team thru the day while handling possibly difficult situations between customers and fellow employees.
- Scheduled appointments for my team to fit their scheduling needs with exceptional communication skills.
- Monitored team operations and workflow during busy periods, making adjustments to improve pace.
- Anticipated guest needs, delivering high-end customer service to exceed expectations.

General Manager

February 2022 - October 2022

Pet Supplies Plus | Austin, TX

- Trained and mentored new employees, from onboarding to career growth.
- Conducted periodic performance reviews to assess employee performance.
- Resolved escalated customer complaints and answered questions regarding policies and procedures.
- Reviewed financial statements and activity reports to measure productivity or goal achievement.
